A VIEW THAT CURES

#HEDONIZING

It's the small things. Sometimes a river view and a glass of lemonade are all that's needed to enjoy the day. With a view down the river flow and green scenery, this is an ideal place to wind down and relax.

- The location is suitable for various events: seminars, workshops, lectures, team buildings, dinners, work lunches etc.
- Thanks to the open concept, it is equally practical for smaller and bigger size events.
- Capacity outdoors and indoors is up to 300 guests.
- Technical equipment: projector, screen, flip chart, WiFi.
- Possibility of organizing various workshops: cocktail making, wine jam, DJ workshop.
- Recommended for groups of 50 to 300 people.
