#KEEPERSOFTRADITION

While every year hundreds of thousands of species disappear as a result of human activity, it is a true miracle to rediscover plants and animals which were thought extinct from certain areas. Precisely this kind of biodiversity awaits us at this location.

- Outdoors complex, suitable for organizing seminars, workshops, team buildings etc.
- Meals can be served both outdoors and indoors - in a restaurant that can be used for smaller conferences, seminars, workshops, educations and similar. Maximum number of participants with seating set up is 100.
- Technical equipment and support organized by the agency.
- Possibility of organizing art workshops at the estate, learning old crafts, gastronomy workshops, sports activities.
- Additional features include activities such as a boat ride and farm exploring.
- Recommended for groups from 30 to 100 people.
